

2019 Killer Drop Red Wine

2019 brought moderate and cooler temperatures, providing a nice long growing season leading to a high quality crop. The 2019 release of Killer Drop brings together fruit from several distinct growing areas of Northern California: Napa Valley, Mendocino, Sonoma, Sierra Foothills, and Lodi. Each region contributes unique characteristics to the final blend, with it all coming together to create an expressive wine with multiple layers of complexity and balance.
