

## 2020 Killer Drop Red Wine

2020 saw a drier winter than normal, followed by a cool spring and mild summer that extended the growing season and produced a nice and balanced crop.

The 2020 release of Killer Drop brings together fruit from several distinct growing areas of Northern California: Napa Valley, Mendocino, Sonoma, Sierra Foothills, and Lodi. Each region contributes unique characteristics to the final blend, with it all coming together to create an expressive wine with multiple layers of complexity and balance.
